# *A Note From Your Director*

I've loved watching our dancers learn and grow throughout the year and can not wait to watch each and every student shine on stage!

A big thank you to our team who makes everything possible!

- Morgan Lothes-Rahn for her artistic direction on set design, costumes, music selection, choreography, stage management and recital theme
- Brian Grant for his guest dancing appearance
- Shawna Arthur for creating our spectacular set pieces and custom hair pieces
- Michele Nordine for communicating all the important details to our families
- Aubrey Teas for helping with all the behind the scenes logistics that keeps everything running smoothly
- All of our instructors: Morgan Lothes-Rahn, Sarah Gantzer, Shawna Arthur, Brian Grant, Emma McCullough, Reagan Stotts, Jillian B. Von Gunten, Jen Hooper, and Tina Mizer for their amazing instruction, choreography, dedication to the students, and help behind the scenes on show day!

A big thank you to all of our families as well! Thank you for all of the time and energy you devote to your child in order to make dance a memorable part of their life! Performing is such an empowering experience and I love seeing that post-performance glow on their faces!

Today's performances will take place in mini-shows to allow social distancing in the audience. Your ticket also includes a FREE online video of the entire show! Our videographer is working on arranging all of the performances into the intended order so that everyone can see our original plan for "Swan Princess"! You can also share this video with friends and family who could not attend. Stay tuned for the link to the video in the next couple weeks!

Wishing you a wonderful Summer!

Your Director,  
Whitney Lewis
